Hi RD,

I am looking forward to our all-hands meeting today at 1 pm. I am attaching the RD 2021 accomplishments as well as the slide deck we plan on using this afternoon. As usual, we have a packed agenda and will have an opportunity to meet newest staff and folks who recently changed roles, we will talk about the RD accomplishments, the upcoming PARS process, move updates, community committee updates, electronic handling of CBI, an update on hot topics – dicamba, 2,4-D and seresto, and a report out from our workload briefing with the OPP-IO. Thanks!

Regards,  
Marietta
